And it's a live-in job, which is rare these days.

I finally managed to find employment as a handyman.

My name is Takamura Ryou (age 23).

But still.

The biggest shock about it wasn't that.

#6

Our job is to change them to LED lights

Please hurry

We need to replace all the fluorescent lights in the school this week.

Takamura-san,

hand me the tools

Sure

you're half-erect,
aren't you?

By the way,
Takamura-
san.

Seeing my
panties
from below
like that,

#6

It was
Handyman
Amaguri's
single
daughter,

Amaguri
Senko
(age 16).

✱ He is.

We've got to work during the breaks between classes if we want to finish on time

I can't help it

You shouldn't be climbing up there like that anyway!

---I'm not!

Any way, I got this job for us from the school

So let's be sure to finish on time

You need one to remove these fluorescent light fixtures and replace them with LEDs

Besides, it's all because you don't have a license for electrical engineering

Be my assistant, Takamura-san

Okay

Um... I'm sorry

And she apparently chose a trade school for her high school

because she could get various licenses useful to a handyman.

Amaguri Senko has extremely cute looks.

But still, there's nothing but guys

It seems like a lot of people would be after her.

W-What is it?

Ek?

Gasp!

Takamura-san!

Wha?!

Your half-erect dick

just went back to flaccid, didn't it?

How...

How can you even know that?!

Actually did.

I can

tell most things by feeling the signs that are given off.

Eh...
You know?

From being like this to this?

Flap

That's not what I meant!

Don't distract with your hands!

You've already removed the fluorescent fixture?
How fast!

Hand me the LED light

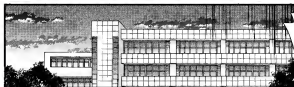

Hm...

I've also

reacted
a bit to it.

Whose fault do you think that is?!

glare

And it's all because you got an erection, Takamura-san.

You're just an oddball

You're really a good-for-nothing person

Well, I don't mind you getting an erection.

Huh?

That's right.
If not for her quirks,

she'd be extremely cute...

No, I mean, whose fault do you think that is?!

so please try to avoid it during work.

But I also have a reaction to it,

I don't want to hear that from you!

That's sexual harassment

I'm curious, so tell me!

Besides, what do you even mean by reaction?!

If you sleep here, you'll catch a cold.

Ngeeh?!

Takamuro son.

Oh no.

I fell asleep without doing any cleaning!

You?!

Why are you here?

What about school?!

It ended some time ago.

When you close the storehouse door from inside,

it automatically locks, so you can only open it from outside.

W/What is it

I have an unfortunate announcement

Right
now,

I'm not
wearing
panties.

Continuing from where you got in my way last night.

once I got home, I immediately took off my panties

Hey, wait a minute

Ah

Well, you see

But I couldn't find it anywhere

And then I remembered a good manga I could use

Use for what?

So I dashed to the storehouse, forgetting to put on panties

That's right, I left it in the storehouse

How much did you want to use it?

Take
responsibility
and help me.

Wha...?

That's obvious

With what?

H.
Help?

Does-

Does that mean...

...I've been wanting to

do it since last night.

#8

And her
grades
are also
top of
the class

I heard from
the boss.

That
girl.
On top
of being
strange,
she's also
really
athletic.

That damn girl...

I'd totally end up falling for her

If she weren't so strange.

And she is better at the job than us.

Aside from her personality!

She's got perfect brains, athleticism, looks, and body!

Well, at most,

my feelings towards her are like a brother worrying over his little sister's behaviour

I know that!

You don't have to yell it out, Takamura!

I'd never use her for masturbation material!

Huh?!

Me?!

I'm not in love with her at all

You haven't fallen for her?

Seriko-chan,
you're not
good with
English?

Yeah.

Eh?

I'm also not
very good
at it.

Ah, oh,
no.

You are
a recently
graduated
college
student.
Suuta-san,
so I was
hoping you
could teach
me.

If I study
it on my
own, I still
don't really
understand
it.

Hm?

You might not
think so, but he's
actually smarter
than me!

Why not get
Takamura to
teach you?

I know.

how males
masturbate

I'd like to
know about

TL Note: Onani means masturbation

I really will
use you for
masturbation
material

If you
keep
saying
all those
weird
things to me

if...

That's fine

U
U
Eh?

go ahead

If you
want to,

Not
really

Hi-Hey, you
don't mind?!

Squeeze

i might be
able to use
it.

I see

So this is
what you like.

Creech

Onani-san
is in the
middle of
a game

Y-You've
got it
wrong,
Sugital

How's the studying going, you two.

Ahhh!

Why do we
have to work
on our day
off?

Ehhh?

Take the
chance
to learn
how to
do it

Trimming tree
branches is
one of the
more common
jobs we get

First you
use the
'hanging rope',
a traditional
technique to
climb trees
with just a
stick and a
rope...

Like I
can do
that!

They
scare
me!

I don't
like high
places

Hmph

Aside from your
bottom half,
you're so weak,
Takamura-san

Sorry
about
that!!

It's
just...

What is it,
Suiga?

Hm?

Ding
Dong

Eh?
You're
not?

Do I look
like I'm
having
fun?!

Since we
came here,

you always
seem to be
having fun.

Huh?!

Right,
right

someone's
here, so
please go
answer the
door

Takamura-
san,

Hello

Whoa,
it's you!

It's been
a while!
I've come
to see you.

Ryou-nii

The angle
of his
erection
is splendid.

Huh...?

you still
maintain
that angle
for your
erection.

Even
though you
masturbate
every day.

You're
not
helping
things!

You should
be more
confident

W-Well,
you're
a boy,
after all

T-There's
nothing
w-wrong
with doing
that!

Ma...

#10

Store

That
Amaguni
Serika!

but on the
inside she's
a gigantic
pervert

She looks like
a cute high
schooler at
first glance,

I will

rescue Ryouma
from the hands
of that pervert!

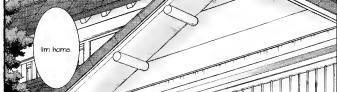

Ruka is an extremely good girl.

Yeah, yeah.

If she becomes a normal person.

Ryuu-ri can work here without worry!

Rattle

Oh, crap.

I forgot a change of clothes!

Let me take a bath already

Heey, Takamura

Well, it is fine if I head straight to my room.

She had friends?

Friend?

Senko-chan's got a friend over.

Don't hang around like that

I can't help it!

They're all in the wash!

Wha-

You jerks!

Dash

Ahh

Uhn

Uhn

Huh

It was
Ruka-
chan?

That's
too bad

I wonder
about
that.

After
seeing such
a perverted
combination...

I wonder

If Ruka-san
will come
back.

I work as a handyman

in a live-in job, which is rare these days.

My name is Takamura Ryou (23 years old).

Handyman
Amaguri

Bonus
Chapter

2

...there is a girl that interests me quite a bit.

And right now...

Could you get an erection?

Takamura-san.

each finger
marks the
angle of
your erection
at that age

I've heard
that when
you spread
out your
fingers,

Teens

20s

30s

40s

Huh?

So show me
your erection

Find this angle
for your 20s.

I want to
check if
it's true

And that is the
handyman
Amaguri's
only daughter,

Amaguri Senko.

As long as
she doesn't say
anything, she's
pretty cute,
though.

Honestly,
she's so
trouble-
some...

A-A! right!

Where
there!

I'm glad
she didn't
notice
I'm at
half-mast.

Ah, this
park.

Do you have some sort of erection curse on you or something?

But I haven't seen it erect yet, have I?

Yeah.

I can't take this conversation anymore.

You've said that you prefer dicks in their normal state, haven't you?

And anyway.

Rustle

Rustle

That used to be the case.

But now...

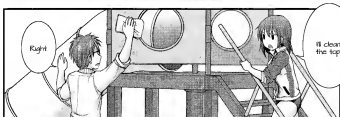

I did.

I think
that

your dick would
be fine even
when erect,
Takamura-san.

Ah!
That's
right!

An ere-

I've got
an erection!
You got a
problem
with that?!

When we're this
close together,
it goes off
on its own.

I can't
help it

Pant

Pant

Am
I
gon-
na
die...

L
I guess

Is it
slowly
getting
harder
because
you're
pushed
against
me?

So let's
hurry
and get
out of
here

Rub

Rub

Hey

Wait!

Don't move
like that!

Hurry up
and let me
check your
erection's
angle!

Huh?!

Pant / /

Pant

/ /

Pant

I'm sorry
Did it hurt?

No..

It actually
felt good.

Tremble

Tremble

..Takamura-
san?

I can't do it
again so soon.

I've just come,
after all...

Hurry up
and get
another
erection.

Just how
much do
you want
to see my
erection?!

No
way...

Then I'll wait
here until you
get another one

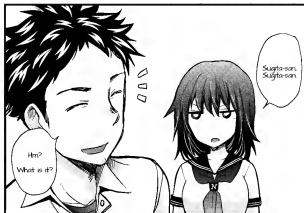

You're just
imagining it!

Does
something
small like
squad?

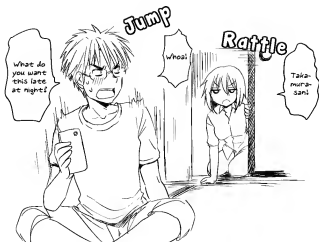

He was able
to get out on
his own
somehow.
